Players can adapt to the ball at any angle and control their run from contact, much like certain players in the real world such as Lionel Messi. Players can also use their in-game speed to make specific manoeuvres, whilst also predicting the direction and speed of a pass in order to intercept it before it arrives at their feet. FIFA will include a whole host of player enhancements including new acceleration and sprint buttons, a new sprint system and improved dribbling. FIFA 22 was released on the Xbox One and Xbox 360 on October 1 and is available for pre-order now. Match Highlights: Pre-order FUT Champions on Xbox.com/xboxone and in Game Stores now for no additional charge and receive four pre-order item packs. In the first of these, receive a free digital treasure chest with 100,000 coins and the universal skills 'Kicking', 'Heading', 'Bite', 'Bend' and 'Throw'. In the second, earn 25,000 coins by completing first-time season challenges and in the third, win the title fight with the FUT Champions Edition. Win all three and the ultimate promotional reward of the FUT Champions Edition (worth over \$400 USD) will be given to you. FUT Champions Edition for Xbox One Available: December 1, 2015 Exclusive to Xbox Live Gold members PLAYERS This content can be unlocked when pre-ordering FUT Champions at participating retailers or for Gold Members in the Xbox Store (pre-ordering now is available at retail). Complete the best Ultimate Team by playing with the most realistic and balanced players in the universe. With over 1,500 players available from over 30 different real-life leagues, there's something for every player type to select and play like. Throughout the season you'll work to develop a roster of high-level players and transfer them in and out of your squad, using in-game currency to acquire and upgrade them. Choose your characters from thousands of real players from the English Premier League, La Liga, Serie A, MLS and more. "We've taken care to ensure a wide variety of players representing different countries and leagues is included, and with FUT Champions, we've done our best

### Fifa 22 Features Key:

- Be part of over 700 players with more than 100 Authentic Player Awards, never-before-seen player traits and more than 30 full player Reveals.
- Become your own fully customised manager with more ways to influence gameplay in new authentic tactical matches.
- Featuring full crowd support in authentic stadiums.
- Fight for the #1 Club in the biggest club rivalry in football history – the Champions League.
- Join the Facebook ManagerClub and join one of the biggest community management games.
- Play the Premiership, Primera Division, Ligue 1, Bundesliga, or even full-fledged UEFA Champions League.
- Import any of the vast array of FIFA Ultimate Team packs from last year into FIFA 22 for an elite experience. As always, FIFA is delivering new features and new content to its community every week. Fan platforms are also expanding: myPlayingCard, Big Head Toddler Heads, and Football Manager 2020 will be getting content updates. FIFA is also focusing on the Big Pass feature in Ultimate Team, improving user experience. There are more player updates (a la Johnny Manziel), and many other fixes.

But the biggest feature announcement is one you've already seen in a previous blog post: Ultimate Team is now better aligned with the FIFA story. As a FIFA Ultimate Team owner, you now have a personal personal assistant and rivals who push you all the way. Major in-game events will trigger larger-than-life events on both club level and community level. Volleyball for FIFA.

The ultimate benefit of Ultimate Team is that it's constantly updating with new features. New leagues, new packs, and more. When you add a pack to FUT, you expect an immense amount of gameplay improvement over the base game. FIFA fans have been waiting for that improvement for a long time, and Ultimate Team is finally here to deliver.

The biggest new feature is the FIFA Storyline, exclusive content that will push you further into the FIFA world. The Team of the Week provides every player a chance to do something big in the manager's role. That might mean scoring a goal for a team in need, and it might mean spawning a
