22x20x1 cm Age: 2+ Composition: plastic
Manufacturer: China Each package has instructions for using the puzzle. It details and explains the stages of the game. The rules of games with mosaics: 1. Assemble the picture according to the scheme. 2. Separate all colored parts (you can use tweezers, pencil, tongs) and connect the parts according to colors. 3. Glue it to the background. 4. Remove the protective layer from the backing. 5. Glue the mosaic piece to the background. 6. Remove the protective film. Instructions: 2. Place the elements of the mosaic on the base and secure with a self-adhesive base. 3. If necessary, supplement the picture with details, previously removing them from

the protective film. 4. Remove the protective film from the mosaic. In order to accurately separate the mosaic from the backing, it is recommended to use a special plastic spatula. 5. Lay the mosaic without glue according to the outlined scheme 1. Before starting to lay the mosaic do not forget to put a sheet of cardboard under the substrate to avoid accidental displacement of the mosaic. 2. Place the mosaic on the substrate in accordance with the outlined scheme. 3. The mosaic must be installed strictly according to the scheme, without allowing the displacement of the mosaic sheets. 4. On the glue, lay the second row of mosaics, as shown in the scheme.
