May 23, 2014 - I have a Captain Sim f-104 for FS9 and they don't make it for FSX so I ported it and wow! It works great, but maybe someone can. I found the code to run f-104 in FS9 using CFM-Sim-Kit. This is an easy and quick way to run an aircraft or F-104 on your computer. The code can be used for all aircraft or simulators that have ". As you can imagine, the code can be smoother if you have . I have all the necessary files and config files for all planes. If anyone has problems launching the f-104 please let me know.
