ego kill talent release their first single "apocalyptica" under a contract with basis records ab. in the same year they recorded in the studio with producer steve stevens (alice in chains, smashing pumpkins). the full-length album the distance will be released in november, 2017. the band was formed in early 2017 by ego kill talent from sweden, los angeles and paris, niper boaventura (bass guitar), theo van der loo (guitar, bass), raphael miranda (drums), and jean dolabella (drums and guitars). ego kill talent released their first single "apocalyptica" under a contract with basis records ab. the song "apocalyptica" will be the first official single from their upcoming full-length album "the distance" in november 2017. to promote their latest single "apocalyptica", the band performed in the united states, and are currently touring europe. the band is currently recording their first full-length album "the distance", produced by steve stevens.

---

the album is scheduled for release in november, 2017. help these t-rex monsters get to the upcoming new stadium. if you manage to get all of them past the stadium gates, you will unlock the trophy "genesys" on the trophy room. t-rexes provide the only way for the traveller from the previous level to the next. if the traveller is an invalid, these monsters will simply walk on top of him. if a traveller is not there, then these monsters will not move. after four or five of these monsters have been defeated, a traveller will be placed on top of the traveller who is not currently there. these travellers are unique per level and are not duplicates of the travellers of the levels above and below. these t-rexes jump much higher than most monsters, and the difficulty of the game can increase rapidly as the game progresses. although they do not have high attack, if a traveller is killed by one of these monsters, their quest will be saved. 5ec8ef588b
