I have lived and breathed hockey since elementary school. But in recent years, I've turned down EA's NHL series as an add-on to a real game because I didn't think I could afford to pay for a new game every year. But recently I saw a review of EA Sports NHL 12 and realized that this game, which I can afford, gives a great result ... And I decided to return! Today I got the game I wanted. I can start participating in hockey again. Now I can start living this sport again.
