
R. Kelly - Discography 19 Albums(1992 - 2012) 84

R. Kelly released the third installment of Made in America, titled, 3, the Number of the Beast, on June 26, 1993. [68] 3 is regarded as an R&B alternative to the previous album Born into the 90's. [1] The album contained The Touch, Get Your Money, Precious Lord (Lean on Me) and Free. [3] The album has sold 7.8 million copies in the United States alone. In 1994, 3 went on to sell 8.3 million copies in the United States [4] and has sold an estimated 18 million copies worldwide. [13] R. Kelly was featured in another VH1 reality show, The R. Kelly and Women of Chicago. [38] Kelly has been a mainstay on the VH1 reality television show The R. Kelly and Women of Chicago since its premiere in 2004. Released on November 1, 2004, the album yielded the R&B hits, The Song 2 (2007) and The Lights (2007). The album also featured collaborations with producers DJ Toomp, Bo Bice and Fred Jerkins III. [36] Kelly also collaborated with rap artist, Ginuwine for the track, "Summertime (Da Boom-Shaka-Laka)". [37] The next year, in 2008, Kelly released his ninth studio album TP-2.0, which was released without a title and is a 'perfect' double album. The project is composed of two CDs, a CD1 and CD2. It includes Kelly's same old hits, The World's Greatest, Ignition (Remix) and, of course, I'm a Flirt. In 2008, Kelly released his greatest hits album The Best of R. Kelly Volume II which features singles like Ignition (Remix), Trapped in the Closet, Talk to Me (Baby), And I'm Telling You, and Back And Forth. With the release of his 'hits' album in 2008, Kelly told Oprah Winfrey that he was now more confident and not the same weak, immature, sex maniac he was 20 years ago. [65] "These days, I'm more in control." [65] In 2009, he recorded his 10th album, TP3.0. The album was a major commercial and critical success, releasing two singles, December 2010's Lovin' You and Your Love. On October 28, 2010, Kelly was inducted into the Songwriters Hall of Fame. He was the first contemporary singer-songwriter to be so honored. Kelly released TP 4.0 on November 30, 2010. [9]

Kelly performed one of his biggest hits, I Believe I Can Fly, at the 2011 Grammys. Kelly performed with Leona Lewis on the award-winning single in a duet. Before the song, Kelly stated, "I grew up singing gospel, from the church. I learned how to be reverent. And when I learned to sing, I started doing songs for God, because I felt that was what I should be doing." Kelly earned five Grammy Awards for this and other album-oriented projects. On February 22, 2013, Kelly released his album The Buffet, which debuted at number one on the Billboard 200. The Buffet became the best-selling R&B album of 2013. [118] [119] On September 23, 2013, Kelly released Bump n' Grind, the follow-up to TP 3.0. The album features the single "Best I Ever Had" featuring Justin Bieber [7] as well as his older songs. In early 1996, Kelly released his debut studio album for Def Jam, 12 Play. The album reached number one on the Billboard 200, selling more than 1.5 million copies in its first week. A double-disc follow-up was then released, The Best of Trax/12 Play. While the album featured several remixes of some songs, its Aaliyah-produced singles have been used on many television shows, from The Fresh Prince of Bel-Air to ER. The album produced the single Now Now, which peaked at number two on the Billboard Hot 100. The song was a late-night staple on its own, and has since become a tradition on the song being played at the end of every set of concerts. The double-disc set also includes the non-album singles: Love Letter, Any other Way, and One Sweet Day. Billboard named 12 Play one of the 100 Best-Selling Albums of the Decade. 5ec8ef588b
