POS-80, Model 85, Printer/Scanner. By: Fat Boy Printer. Posted on: September 21, 2003. I had a Pos 80 that would not accept a new POS card, however, it would accept new cash cards. I tried replacing the card with a new POS card and it still would not work. I called and had the card replaced with a new card and the POS 80 still would not accept the new card. I found that the motor on the card was bad and had to be replaced by Epson. I then found this website: and found it to be very helpful. I hope it will help you. I have one of these POS 80's, Model 85, Printer/Scanner. Barcode printing, 1D and 2D via driver. Panel, power + 8 function keys. Display, Backlit blue 16 × 2 LCD display.
